Dear Paul:

Enclosed please find a copy of a letter suspending membership for Willie Lewis Wilson registered as Scoutmaster of Troop 53 in the George H. Lanier Council #94 in West Point, Georgia. We were careful to follow the Procedures for Maintaining Standards of Membership as we sought a speedy and correct remedy to the following problem.

Mr. Wilson was in the first day of participation in our Summer Camp at Camp Pine Mountain when we received an anonymous telephone tip that he had an extensive criminal record. Our Council President, legal council and Mr. Tim LaGrone (board member) were immediately contacted for a coordinated course of action. Mr. LaGrone is the Director of Security for corporate giant West Point Pepperell and a retired Bureau Chief for the Federal Bureau of Investigation. Law enforcement sources in Georgia and Alabama were contacted and initial reports indicated that said individual had indeed been charged in Alabama with enticing children for immoral purposes. Other charges included forgery, illegal use of firearms, and numerous other charges that sources did not care to disclose at this time. He was imprisoned in Anniston, Alabama for a period of one year. Mr. LaGrone stated that this individual was known by law enforcement authorities in Georgia and Alabama as a pedophile.

Approximately four hours after receiving the call Mr. LaGrone and I met with Mr. Wilson and presented the allegations. He was presented a letter informing him of the suspension of his registration and the procedures to be followed to request a review.

I do not expect any further contact from this person. His record indicates that he should be considered unstable and potentially dangerous.

Dear Willie L. Wilson:

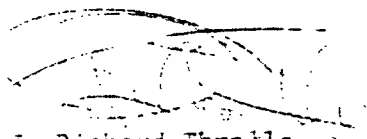

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely yours,

  
Phillip F. Moon  
Council President
